Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's Representative was made aware of the language of the specification (paragraph 14, page 4) which refers to specific claims which have now been canceled (i.e. claims 24 & 35). Examiner proposed amendments to the specification which Applicant's Representative revised and were agreed upon. In particular, all references to specific claim numbers except claim 1, were to be omitted from this paragraph of the specification. Examiner indicated that an Examiner's Amendment would be executed in a Supplemental Notice of Allowance making such changes.
